To Be Held At  
NEW CATTLE BARN

**Western Fair Grounds, London, Ontario**  
**Wednesday, Oct. 20th, 1954**

## Announcement

We extend a cordial welcome to all Shorthorn breeders and any other person interested in the improvement of livestock to attend our sale at Western Fair Grounds, London, on Wednesday, October 20th, 1954.

We feel we have an excellent offering for our sale. These six herds have been producing some high class cattle in recent years and for this sale the very tops are being offered from each herd.

While the cattle in this sale are not fitted, they are all in splendid breeding condition.

Heifers sold through this sale have gone on to be champions and have produced champions at our larger Exhibitions and top selling cattle in the best sales in Ontario, while prices at this sale have been moderate this has given consignees a great satisfaction to find these cattle proving so satisfactory to their new owners.

All cattle sold to U.S. buyers will be fed and cared for at seller's expense at buyer's risk, until such time as necessary papers are ready.

Owing to the dispersion of the T. C. Edwards herd, we are pleased to have a few cattle from the good herds of McDonald Bros. and Geo. L. Lasby.

We have limited our consignment of bulls to a few which we hope will be acceptable to those looking for bulls good enough to head good purebred herds or high class commercial herds.

A bull shall not be allowed to serve when under 14 months of age or be allowed to run with the herd when under 20 months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot and heifers under 16 months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

5. A certificate of registry in the Canadian Shorthorn Herd Book will be furnished with each animal. Any animal in this sale can be registered in the American Shorthorn Breeders' Herd Book.
